Plus: Every issue of BMJ is packed with 'must read' features: Industry news, in-depth news extras, merchant profiles, interviews with key industry figures, trends, forecasts and management information, analysis of merchant issues and product information

### Special issues and supplements

These are the issues that merchants keep and refer back to. If you only advertise once in a year, then a BMJ special issue is where you should be.

- January: BMJ League Tables
- February: RMI
- March: NMBS show preview
- April: Trailblazers 2010 supplement
- May: Public sector new build
- June: Self build
- August: Social housing
